

	Veterinarian Orthopedic Lab with Japanese translation
Wednesday November 6, 2024	
8:30 AM	Beale/Hulse CCL tears with excessive TPA
9:00 AM	Simple correction using mCCWO
9:45 AM	Lab 1 - mCCWO on plastic bone
11:30 AM	Double-cut TPLO
12:00 PM	LUNCH
1:30 PM	Lab 2 - Double-cut TPLO on plastic bone
2:30 PM	CBLO
3:00 PM	Lab 3 - CBLO on plastic bone
4:30 PM	End of course

	Veterinarian Orthopedic Lab with Japanese translation	Veterinarian and Vet Technician Workshops
Thursday November 7, 2024		
8:30 AM	Beale/Hulse Making decisions when MPL and CCL tears occur	
9:00 AM	The basics of MPL - Groove deepening and Tibial Tuberosity Transposition	
9:45 AM	Optimizing extracapsular CCL repair and MPL	Naun End of Life Palliative Care 10:00 AM - 12:00 PM
10:15 AM	Lab 1 - Extracapsular CCL repair and MPL on plastic bone	
11:30 AM	Combining MPL repair with TPLO and CBLO	
12:00 PM	LUNCH for all-day lab attendees only	
1:30 PM	Lab 2 - MPL and TPLO/CBLO on plastic bone	Fagen Behavior and Handling 1:00 PM - 3:00 PM
3:00 PM	Patellar groove prosthesis (PGR)	
3:30 PM	Lab 3 - Patellar groove prosthesis on plastic bone	
4:30 PM	End of course	

	Veterinarian Lecture	Veterinarian Lecture II	Veterinarian Lecture with Japanese Translation
Friday November 8, 2024			
8:00 AM	Bailey Pulmonary Patterns I: Alveolar and Bronchial Patterns	Mundschenk Renal Updates: Biomarkers and How to Interpret Them	Asano Adrenal Tumors (in Japanese only)
9:00 AM	Bailey Pulmonary Patterns II: Interstitial and Vascular Patterns	Mundschenk Feline Tricky Cases: ADR Critical Care to Long-Term Maintenance	Ishigaki Canine and Feline Idiopathic Chylothorax (in Japanese only)
10:00 AM	BREAK	BREAK	Mundschenk
10:30 AM	Bailey Advanced Diagnostic Imaging: You really want me to look where?	Shoemaker My Integrative Approach to IVDD	Feline Tricky Cases: Hyperaldosteronism
11:30 AM	LUNCH	LUNCH	LUNCH
1:00 PM	Shoemaker My Integrative Approach to GOLPP: Geriatric Onset Laryngeal Paralysis	Asano Novel Surgical Strategy for Canine Perineal Hernia	White Inflammatory Bowel Disease
2:00 PM	Fagen How to Work Up a Behavior Case	Asano Surgery for Adrenal Tumors	
3:00 PM	BREAK	BREAK	BREAK
3:30 PM	Fagen Psychopharmacology Review Part I	White Feline Diabetes Mellitus	Shoemaker My Integrative Approach to Seizure Disorder
4:30 PM	Fagen Psychopharmacology Review Part II	White Protein-Losing Nephropathy	

	Veterinarian Lecture	Veterinarian Large Animal Lecture	Veterinarian Lecture <i>with Japanese Translation</i>	Vet Technician Lecture
Saturday November 9, 2024				
8:00 AM	Kuwahara Become a Super Doc: With Thermal Vision & Laser Powers!	Hendrickson Wound Cleaning and Preparation	Fagen Separation-Related Disorders	Brown Neuromuscular Anatomy and Musculoskeletal Disease
9:00 AM	Brown Pain Physiology	Hendrickson Wound Debridement and Evaluation		Bailey Radiation Safety
10:00 AM	BREAK	BREAK	Brown	BREAK
10:30 AM	Murray Surgical Margins: Planning, Cutting, and Closing	Hendrickson Wound Closure and Skin Grafting	Non-Pharmaceutical Modes of Analgesia	Fagen Canine and Feline Body Language Training
11:30 AM	LUNCH	LUNCH	LUNCH	LUNCH
1:00 PM	Nishimura Clinically important arrhythmias or ECGs	Hendrickson Second Intention Wound Healing Part I	Bailey Upper Airway Small Animal Respiratory Disease	Murray Bandaging Theories and Practice
2:00 PM	Nishimura Myxomatous mitral valve disease update	Hendrickson Second Intention Wound Healing Part II		Shoemaker Five Element Animal Handling
3:00 PM	BREAK	BREAK	BREAK	BREAK
3:30 PM	Shoemaker My Integrative Approach to Diabetes Mellitus	Hendrickson Sedation and Analgesia for Standing Surgery	Nishimura How to Approach Clinical Signs of Heart Disease, Diagnostics and Treatment	Mayer Safe Handling of Exotic Species
4:30 PM	Mayer Antimicrobial Use in Exotics	Shoemaker Body Mechanics for Veterinarians (How to Be Effective and Not Get Hurt)	Kuwahara Become a Super Doc: With Thermal Vision & Laser Powers!	Ford Small Animal Vaccines and Vaccinations

	Veterinarian Lecture	Veterinarian Lecture II	Veterinarian Lecture with Japanese Translation	Vet Technician Lecture
Sunday November 10, 2024				
8:00 AM	Ford Feline Upper Respiratory Disease: Why It Persists and What to Do About It	Martin Creative Community Partnerships - Pet wellness in underserved neighborhoods	Naun Palliative Care for End of Life Disease	Mundschenk Ear Cytology
9:00 AM	Ford FIP	Martin The Happiness Factor - addressing pet mental health in shelters and clinics		Boscan Anesthesia topic
10:00 AM	BREAK	BREAK	Mayer Spaying Rabbits and Rodents	BREAK
10:30 AM	Ford Antibody Testing in Clinical Practice: Indications for Point- of-Care Testing	Boscan Anesthesia Topic?		Bruns Monitoring the Anesthetized Patient
11:30 AM	LUNCH	LUNCH	LUNCH	LUNCH
1:00 PM	Venable What Oncologists Wish GPs Knew and Did	Martin Useful Spay/Neuter Techniques - lessons from high quality/high volume	Ford Hyperlipidemic States in Dogs and Cats	Bruns ECG Monitoring of Anesthetic Patient
2:00 PM	Venable Lymphoma: Understanding the Present to Shape the Future	Mayer Apitherapy		Bruns Respiratory Complications of the Anesthetized Patient
3:00 PM	BREAK	BREAK	BREAK	BREAK
3:30 PM	White Inflammatory Bowel Disease	Mayer Backyard Chicken Medicine	Venable Cancer treatment options for primary practitioners: What to do when owners decline referral	Bruns Anesthetic Considerations for Pediatric & Geriatric Cases
4:30 PM	White Anemia	Mayer Reptile Respiratory Disease		Bruns Anesthetic Case Studies
