

	Veterinarian Orthopedic Lab with Japanese translation Room 322 B
Wednesday November 6, 2024	
8:30 AM	Beale/Hulse CCL Tears with Excessive TPA
9:00 AM	Simple Correction Using mCCWO
9:45 AM	Lab 1 mCCWO on Plastic Bone
11:30 AM	Double-Cut TPLO
12:00 PM	LUNCH
1:30 PM	Lab 2 Double-Cut TPLO on Plastic Bone
2:30 PM	CBLO
3:00 PM	Lab 3 CBLO on Plastic Bone
4:30 PM	End of Course

	Veterinarian Orthopedic Lab with Japanese translation Room 322 B	Veterinarian and Vet Technician Workshops Room 322 A
Thursday November 7, 2024		
8:30 AM	Beale/Hulse Making Decisions when MPL and CCL Tears Occur	
9:00 AM	The Basics of MPL - Groove Deepening and Tibial Tuberosity Transposition	
9:45 AM	Optimizing Extracapsular CCL Repair and MPL	Naun End of Life Palliative Care Workshop 10:00 AM - 12:00 PM
10:15 AM	Lab 1 Extracapsular CCL Repair and MPL on Plastic Bone	
11:30 AM	Combining MPL Repair with TPLO and CBLO	
12:00 PM	LUNCH for all-day lab attendees only	
1:30 PM	Lab 2 MPL and TPLO/CBLO on Plastic Bone	Fagen Behavior and Handling Workshop 1:00 PM - 3:00 PM
3:00 PM	Patellar Groove Prosthesis (PGR)	
3:30 PM	Lab 3 Patellar Groove Prosthesis on Plastic Bone	
4:30 PM	End of Course	

	Veterinarian Lecture <i>Room 325 AB</i>	Veterinarian Lecture II <i>Room 324</i>	Veterinarian Lecture with Japanese Translation <i>Room 322 AB</i>
Friday November 8, 2024			
8:00 AM	Bailey Pulmonary Patterns I: Alveolar and Bronchial Patterns	Mundschenk Renal Updates: Biomarkers and How to Interpret Them	Asano Adrenal Tumors (in Japanese only)
9:00 AM	Bailey Pulmonary Patterns II: Interstitial and Vascular Patterns	Mundschenk Feline Tricky Cases: ADR Critical Care to Long-Term Maintenance	Ishigaki Canine and Feline Idiopathic Chylothorax (in Japanese only)
10:00 AM	BREAK	BREAK	Mundschenk
10:30 AM	Bailey Advanced Diagnostic Imaging: You really want me to look where?	Shoemaker My Integrative Approach to IVDD	Feline Tricky Cases: Hyperaldosteronism 10am - 12pm
11:30 AM	LUNCH	LUNCH	LUNCH
1:00 PM	Shoemaker My Integrative Approach to GOLPP: Geriatric Onset Laryngeal Paralysis	Asano Novel Surgical Strategy for Canine Perineal Hernia	White Inflammatory Bowel Disease
2:00 PM	Fagen How to Work Up a Behavior Case	Asano Surgery for Adrenal Tumors	
3:00 PM	BREAK	BREAK	BREAK
3:30 PM	Fagen Psychopharmacology Review Part I	White Feline Diabetes Mellitus	Shoemaker My Integrative Approach to Seizure Disorder
4:30 PM	Fagen Psychopharmacology Review Part II	White Protein-Losing Nephropathy	

	Veterinarian Lecture <i>Room 325 AB</i>	Veterinarian Equine Session Lecture <i>Room 324</i>	Veterinarian Lecture with Japanese Translation <i>Room 322 AB</i>	Vet Technician Lecture <i>Room 321 AB</i>
Saturday November 9, 2024				
8:00 AM	Kuwahara Become a Super Doc: With Thermal Vision & Laser Powers!	Hendrickson Wound Cleaning and Preparation	Fagen Separation-Related Disorders	Brown Neuromuscular Anatomy and Musculoskeletal Disease
9:00 AM	Brown Pain Physiology	Hendrickson Wound Debridement and Evaluation		Bailey Radiation Safety
10:00 AM	BREAK	BREAK	Brown	BREAK
10:30 AM	Murray Surgical Margins: Planning, Cutting, and Closing	Hendrickson Wound Closure and Skin Grafting	Non-Pharmaceutical Modes of Analgesia 10am - 12pm	Fagen Canine and Feline Body Language Training
11:30 AM	LUNCH	LUNCH	LUNCH	LUNCH
1:00 PM	Nishimura How to Approach Clinical Signs of Heart Disease, Diagnostics, and Treatment	Hendrickson Second Intention Wound Healing Part I	Bailey Upper Airway Small Animal Respiratory Disease	Murray Bandaging Theories and Practice
2:00 PM	Nishimura Myxomatous Mitral Valve Disease Update	Hendrickson Second Intention Wound Healing Part II		Shoemaker Five Element Animal Handling
3:00 PM	BREAK	BREAK	BREAK	BREAK
3:30 PM	Boscan Anesthesia	Hendrickson Sedation and Analgesia for Standing Surgery	Nishimura Clinical Signs of Heart Disease, Diagnostics, and Treatment (in Japanese only)	Mayer Safe Handling of Exotic Species
4:30 PM	Mayer Antimicrobial Use in Exotics	Shoemaker Body Mechanics for Veterinarians (How to Be Effective and Not Get Hurt)	Kuwahara Become a Super Doc: With Thermal Vision & Laser Powers! (in Japanese only)	Ford Small Animal Vaccines and Vaccinations

	Veterinarian Lecture <i>Room 325 AB</i>	Veterinarian Lecture II <i>Room 324</i>	Veterinarian Lecture with Japanese Translation <i>Room 322 AB</i>	Vet Technician Lecture <i>Room 321 AB</i>
Sunday November 10, 2024				
8:00 AM	Ford Feline Upper Respiratory Disease: Why It Persists and What to Do About It	Martin Creative Community Partnerships - Pet Wellness in Underserved Neighborhoods	Naun Palliative Care for End of Life Disease	Mundschenk Ear Cytology
